- ii. \* Chester County Renaissance Faire originally scheduled for March 19th was postponed until next year. Apparently there were concerns it was getting too big for what the organizers expected. I sent one follow-up email to say we'd still be interested in participating next year, and heard back that they are also interested for next year.
- iii. \* Homeschool demo offer - we heard from a representative of a homeschool group who attended the Boyertown Library demo and wanted to organize a similar event, but unfortunately on a weekday. A couple of folks volunteered to help, but the homeschool rep informed us that they went a different route.
