Officer updates? Alison and James are you both serving as deputy seneschal? Kathryn Perry are you still the drop dead seneschal? Everyone is still available. We should look for someone who hasn't been seneschal to be a deputy as well.

First Aid kit for the gate box. Should have bandaids (various sizes), gauze wraps, alcohol wipes, ice packs (the kind you activate out of the box).

Arts and Sciences:

The in-person Fiber Arts/A&S Day on Sunday, 2/15 was well attended. Some people even went home with fiber and tools. The A&S Solar space at Rapier Champs was very informal, but there

were several people taking advantage of it. There will be an Artisans' Corner at Nova Schola. I will be bringing paper and markers to create signage for any last-minute participants.

There was an A&S invasion of Fencing Practice on 2/9. The next one is scheduled for 3/9. Virtual A&S happened on 2/25. The next one will be on 3/25.

Dance: Dancing was held on 2/27.

Dining with Lorenzo: No information provided.

Herald:

As with everyone else, it's pretty slow.

- (1) June KWHSS is rumored to be a hybrid event. Details to come as soon as they are released.
- (2) Consults have been very slow. Come to Nova Schola, Submit All The Things!
- (3) A few heraldic classes will be held at Nova Schola, geared to either submitters or newer heralds, or both. We can switch it up on the fly based on attendees.
- (4) Due to the possibility of bad weather and not a lot of indoor space, there will NOT be a consult table at Mudthaw.

Chatelaine: Nothing much to report this month. No newcomer contacts.

Still to do: plan workshops for children's gold key, and make sure we have good XXL gold key (right now we have the Roman chitons and one large tunic gifted from Bhakail gold key).

For children's gold key, I am thinking some sort of tabard that can be put on over mundane clothes. No sleeves, maybe ties at the sides. I'll need help determining sizes.

Westminster: Nothing special to report this month. Website still exists.
